

Flood Relief Thank You Dedication Ceremony

The efforts of the staff and inmates who participated in the cleanup efforts after the winter flooding are truly remarkable. The communities of Vernonia, Mist, Fish Hawk Lake and Astoria would not be as far along in the recovery process without all of their hard work. The Department is pleased to be able to put on a dedication ceremony for the staff, inmates and guests.

Relationships with family are a significant part of an offenders' success inside prison and upon release. The Oregon Department of Corrections encourages productive relationships between families and inmates to strengthen ties and increase the likelihood of successful re-entry. That's why we are inviting inmate families to share in the recognition of the hard work and commitment that the inmates showed to the storm victims.

Sincerely,

Max Williams
Director
