Important Notice

U.S. Consumer Product Safety Commission has New Crib Safety Standards

- **If you have a crib that you obtained before June 2011, it probably needs to be replaced by December 2012.**
- All cribs in child care facilities, including family child care, must meet the new crib standards that were approved by the U.S. Consumer Product Safety Commission (CPSC).
- New standards include a ban on traditional drop-side cribs and additional safety measures that require more durable hardware and parts.
- For more information you may call U.S. CPSC at 1-800-638-2772. Additional information is also available at: <http://www.cpsc.gov/cpsc/pub/pubs/5023.pdf>, <http://www.cpsc.gov/onsafety/2011/06/the-new-crib-standard-questions-and-answers/>, or visit the Child Care Division website at www.childcareinoregon.org.
- If you have additional questions please contact your Child Care Division Licensing Specialist.
