ACTIONS TAKEN, MAJOR PROJECT UPDATES, AND OTHER MILESTONES

- Claimant Reemployment sessions continue to take place around the state, to assist claimants with iMatchSkills registration, skill review, and job search assistance
- Making connections with Stimulus-funded contractors, most of who plan to call back former staff. Have been referred to some sub-contractors so we are making the right connections for when hiring picks up
 - An interesting project in the Roseburg area funded with ARRA funds is for upgrading an existing water treatment plant. Worksource Douglas Employment Center will assist with recruitment for installation workers and office workers
 - Pacific Pellet, recently located in Redmond, is a recipient of U.S. Forest Service ARRA funds. We will assist with recruitment for a plant manager, office staff, inventory control, and material handler positions
- Worksource Oregon Region 14 (Grant, Harney, and Malheur counties) is working with Treasure Valley Community College in hosting a Green Energy Summit in March 2010. The Summit will include employers and innovators/manufacturers in biomass, wind, solar, design, and cost reduction.

UPCOMING PLANNED ACTIONS, MAJOR PROJECTS, DEADLINES, AND GRANT OPPORTUNITIES

- Awaiting response on several grants that have been applied for: Broadband for BES field office upgrade through Dept. of Commerce/NTIA, and Green Jobs Labor Market Information through Dept. of Labor.
- Region 10 (Bend/Redmond) offered assistance to the Oregon Consortium, who is applying for a State Energy Sector Partnership and Training grant (SESP).
