RULE SUMMARY

This rule establishes the fee for parking permits issued for winter recreation parking (Sno-Park) areas. Revenue generated from the sale of Sno-Park permits is accounted for separately in the Highway Fund. Funds in the account are primarily used for enforcement of the permit requirement and snow removal in the designated areas. There are three types of permits available to users of Sno-Parks: an annual permit required from November 1 through April 30, a three-day permit valid for three consecutive days, and a one-day permit valid for a specific calendar day.

In order to adequately fund the Sno-Park program, to keep up with increasing costs, and to provide service to the recreation community, an increase in the permit fees was recommended by the Winter Recreation Advisory Committee in 2010. The committee was established in ORS 802.350 to advise the Department on matters relating to the Sno-Park program. Based on that recommendation the Department amended the parking permit fees by rule. However, the 2011 Legislature did not ratify the increase in the permit fees. This rule amendment returns the Sno-Park permit fees to their previous amounts.
