RULE SUMMARY

Chapter 179 OL 2011 requires the Department to develop a Rule pertaining to the Oregon Coordinate System. The bill effectively moves all definitions of the existing Oregon State Plane Coordinate System from ORS Chapter 93 to an Oregon Administrative Rule (to be created by ODOT). In addition, all definitions for the new Oregon Coordinate Reference System will be added to the new OAR. Sections of ORS 93, 209, and 390 will be amended to point to the new location of these definitions.
