RULE SUMMARY

Pursuant to ORS 803.350, DMV must deny registration to new motor vehicles, with 7,500 miles or less that do not meet Oregon DEQ rules, adopted under OAR Chapter 340 as the *Oregon Low Emission Vehicle Program* (Oregon LEV standards).

On April 21, 2011, DEQ amended OAR 340-257-0060, which sets forth the exemptions from the Oregon LEV standards. ORS 803.350(8) requires that DMV rules be consistent with the DEQ rules. To be consistent with OAR 340-257-0060, DMV has amended OAR 735-030-0330 to exempt from the registration requirements for Oregon LEV standards, vehicles purchased by Oregon residents while assigned to active government service, outside the State of Oregon.

The exemption previously applied to vehicles purchased by Oregon residents while assigned to active military service, outside the State of Oregon.
